Dr. Jose P. Rizal Monument in Markham, Ontario...a gift of the Filipino Canadians to the people of Canada, to celebrate Canada's 150th anniversary...now part of Markham Public Art Collection

Jose Rizal is the national hero of the Philippines, advocate of peace, freedoms, diversity and inclusivity, a physician, writer and scientist, martyred for his ideas, honored with more than 100 monuments worldwide and in every community in his country...His legacy affirms multiculturalism in Canada. This is the finest of his statues, in artistry, in its Filipinoness, in depicting the nobility and dignity of the man—at home in Markham
